Hi Jennifer, can we plan on 8am on September 6 for site visit to discuss program issues, priorities, etc. I will inform our Tribal President of the EPA site visit.

Thanks

Dee Ann Allen

Thanks Dee. Either of those two time frames would work for me, I'll let you choose.

And please invite other LDF staff as you believe is appropriate.

Thanks,

Jenny

Hi Jennifer- I am busy 10am-1pm however can be available 8-10am. Or after 1. Since the priorities are developed by all EPA funded programs I would like them to participate if they are available. Water resources, environmental response, glri, etc.

Hi Dee,

Hope you are well. Over the past 18 months I have been scheduling site visits with the tribes in Wisconsin to talk about their environmental priorities and programs. It occurred to me that I've been to Lac du Flambeau a number of times, but always specifically related to the Tower Standard/Haskell Lake site. To date, I haven't had an opportunity to sit down with you to talk about other issues in your program, and I'd like to find some time to do so.

Would you have any time available on Wednesday, September 6? I have a commitment on September 7 in the western Upper Peninsula, so I'd be in the neighborhood. If that doesn't work we can certainly look at some other dates.

Thanks,

Jenny
